A. Paragraph (b) is modified as follows: (changes highlighted):

(b) A Metric Performance Retainage Pool (MPRP) will be established for each contractor. The MPRP will be comprised of 1% of the sum of the monthly seat/system prices from all delivery orders and modifications (not including catalog items) issued to that contractor; this MPRP will become available for disbursement after the first 180 days of performance. The first six months MPRP will only be disbursed if a successful performance has been demonstrated, as determined by the DOCOTR. Multiple pools will be established for any contractor holding multiple delivery orders. These funds will be retained by the Government to ensure the successful performance and operation as defined by the ODIN metrics specified in Attachment F. Each MPRP assessment will be made at the sole discretion of the DOCOTR on the monthly anniversary date of the delivery order. The MPRP criteria shall be documented in the delivery order using one of the following approaches:

(1) Meets/fails-to-meet (all or nothing) - all three Level 1 metrics must be achieved in order for the MPRP to be disbursed.

(2) Discretionary basis (i.e., all, partial, or none) - MPRP disbursement may be established to distribute funds based on achieving one or more of the Level 1 metrics.

Upon notification, the Contractor may invoice the Government for payment. If not authorized for disbursement, the previous monthly MPRP, or any portion of, will not be carried forward and the delivery order will be unilaterally modified to decrease the order dollar amount. The manner and degree to which the Contractor demonstrably delivers services that meet the Level 1 metrics will form the basis for the MPRP disbursement decision.

**B. Contractor's Statement of Release of Claims:** In consideration of this modification agreed to herein as complete equitable adjustment for the performance of necessary work when ordered, the Contractor hereby releases the Government from any and all liability under this contract for further equitable adjustments attributable to such facts or circumstances giving rise to these services.

C. All other terms and conditions of the Contract remain unchanged.
